

**2026 WINTER IOWA GAMES
FIGURE SKATING ANNOUNCEMENT**

February 21-22, 2026

Chief Referee: Carla Golubski

Scoring Official: Patty Behnke

The 2026 Winter Iowa Games Figure Skating Competition is a merged U.S. Figure Skating sanctioned event endorsed by the ISI. For skaters in the ISI program, a conversion chart is provided to help determine your appropriate competition level.

This competition will be conducted in accordance with the rules and regulations of U.S. Figure Skating, as set forth in the [current rulebook](#), as well as any pertinent updates which have been posted on the U.S. Figure Skating website.

The 2026 Winter Iowa Games Figure Skating Competition is a qualifying competition for the 2026 National State Games of America Championships (SGA). Skaters may choose to enter each event at SGA that they qualify for by placing first, second or third at the State Games of Iowa competition.

All figure skaters residing in Iowa and neighboring states are invited to compete. Open to all skaters including United States Figure Skating (USFS) and Ice Skating Institute (ISI) members.

The Winter Iowa Games Figure Skating Competition is a U.S. Figure Skating sanctioned event endorsed by the ISI but membership in U.S. Figure Skating and/or ISI is NOT required.

ELIGIBILITY/TEST LEVEL

Singles: Excel and Well-Balanced Events:

- Skaters must meet at least the minimum singles test requirements for the event's level. A skater's singles test level may be higher than the minimum requirement.
 - o Skate Up: skaters may skate up one level higher than their minimum test requirement allows.
- Skaters may not register for an event level lower than allowed by their competitive floor. An athlete's competitive floor is set by one of the following scenarios:
 - o If an athlete has a paid EMS series application for the NQS series, the event level registered for in the most recent NQS will become the lowest level they may compete at in any U.S. Figure Skating sanctioned event.
 - o If an athlete has a paid EMS series application for the Excel Series, the event level registered for in the most recent Excel series will become the lowest level they may compete in any Excel event. For Well-Balanced and Specialty events the skater will be permitted to register at one level lower than the "floor" set by their excel series entry.
 - o If an athlete has never had a paid EMS series application in the NQS or Excel series, the athlete may select their level based on their goals and technical skills as long as the minimum test requirements are met.
- Skaters are not permitted to enter an Excel free skate and a Well-Balanced free skate event at the same competition (example: Juvenile Girls Free Skate and Juvenile Girls Excel Free Skate). However, they are permitted to enter an Excel and a Well-Balanced event of different types such as a short program (if stand-alone event option), specialty or showcase events (example: Intermediate Women Short Program and Intermediate Women Excel Free Skate).
- For more details about establishing event levels, refer to the information sheet [HERE](#) or email events@usfigureskating.org.

All other singles and partner events (such as Adults, Pairs, Ice Dance):

- Skaters must meet the minimum test requirements for the events level, but not exceed the maximum permissible test requirement.

Age restrictions/requirements: Skaters entering Juvenile free skate events (Well Balanced Program) must be 12 years of age and younger for girls or 13 years of age and younger for boys at the close of entries. Skaters entering open juvenile free skate events (Well Balanced Program), must be at least 13 years of age for girls or 14 years of age for boys at the close of entries. Skaters entering Intermediate free skate events (Well Balanced Program) must be under 18 years of age. Skaters entering Adult free skate events (Well Balanced Program) must be 21 years of age or older.

Skaters entering Compete USA–pre-juvenile events will be divided as closely as possible by age should the number of entries warrant more than one group.

PARTNERED EVENTS:

Only one partner will complete registration for the team. During the registration process, you will be asked to identify your partner and verify their test information. **The registered partner will be responsible for managing all aspects of the competition for the team including music/PPC upload, practice ice sales, etc.**

Mandatory Athletes:

Athletes aged 18+ as of the competition start date who will be competing on a team (i.e. synchro, dance, pairs, shadow dance, theatre, etc.) with at least one minor athlete must complete SkateSafe training. *

Minor Athletes who turn 18 mid-season are encouraged to seek parental consent to take the online SafeSport training early to avoid any disruptions in their ability to participate as the training is required upon turning 18. The athlete will not be SafeSport compliant until they have completed the training and their Members Only portal reflects completion. Please email safesport@usfigureskating.org for instructions or questions regarding parental consent.
